ASSASSIN'S CREED UPRISING

LOADING MEMORY 2...

For centuries, the **Assassin Brotherhood** has fought a covert war against their sworn enemies, the **Templar Order**. Via the Pieces of Eden — advanced relics left behind by a precursor race — the Templars seek to create a 'perfect' world governed by discipline and unity, directly contrasting the ideals of the Brotherhood, who strive to safeguard humanity's free will.

Charlotte de la Cruz — a recent initiate into this shadowy world — is currently lying low. Following a disastrous mission which saw her entire Assassin cell wiped out by a mysterious superior force, the fledgling freedom fighter has begun to question her role within the Brotherhood.

Meanwhile, Master Templar **Juhani Otso Berg** suspects dissent within the Order. Following his research into **The Black Cross** — a mysterious Templar agent of morality — the former special forces operative has taken up the mantle himself in order to bring stability to the Templar ranks.

"SOMETIMES YOU WONDER WHETHER YOUR DESCENDANTS ARE DREAMING YOU."

"I FIND MYSELF LOOKING AROUND ALL THE TIME, FOR GLITCHES."
